

Your **CONSERVATIVE Candidate** for  
**Essex County Council**

**Jonathan HUNTER**

Loughton Central Division

Dear Resident

I have lived in Loughton with my family since 2004 and have recently retired after a 35 year career in the City. Son of a Schoolteacher and a Nurse, I am also the Chairman of Upton Park FC.

I am writing to ask you to vote Conservative on Thursday 6th May. This election will be like no other due to the impact of the pandemic. If you are uncomfortable to vote at the polling station then please take the time to register for a postal vote. Just email us at [office@eppingforestconservatives.com](mailto:office@eppingforestconservatives.com) or give us a call on **020 8508 6608** for further information.

We have candidates standing in every ward for the Town, District and County seats. We will always give Conservative voters the opportunity to vote for someone locally.

**Why Vote Conservative ? And Why Now ?**

Firstly, it may surprise you to know that there are NO Conservative Councillors in Loughton and there hasn't been for many years! Loughton Residents Association stand on their record. I believe that the residents of Loughton do not get a good deal compared to other areas of the County or District. I believe Loughton needs a voice WITHIN the Conservative Party at Epping and Chelmsford.

**Ask yourself WHY** ... our taxes are 5% higher within Loughton Town Council? **Ask yourself WHY** ... It always seems that Loughton is protesting against the District Council and County Council?

Please take the time and trouble to give a Conservative a chance locally to make a difference.

Thank you.

**Jonathan Hunter**

## ACTION FOR ESSEX

### WORLD CLASS SCHOOLS

89% of our schools are Ofsted rated "Outstanding" or "Good". As we emerge from the effects of the pandemic, we will work with staff, students and parents to support catch-up schemes.

### SUPPORT WORKING FAMILIES

The popular Holiday Club scheme will be extended with 15 times as many places available this summer compared to last year! We will continue our laptop initiative with some 5,000 devices already distributed.

### CARING FOR OUR MOST VULNERABLE

We will continue our transformational programme enabling far more older people, and those with disabilities, to live at home. We will also ensure that all our care homes are rated "Excellent" or "Good".

### REDUCE OUR EMISSIONS

We were the first county in the UK to set up an independent Climate Change Commission. We have set aside some £5,000,000 to take forward their recommendations. We will continue to work to make Essex green.

### BACKING ESSEX BUSINESS

We will carry on supporting businesses through grants and loans, working together to boost skills and jobs across the local economy. We will help those seeking to re-train as we build the workforce of tomorrow.

### SUPPORTING OUR COMMUNITIES

We will once again allocate £10,000 to each County Councillor for local projects. The money will be used for initiatives, groups and organisations to build on our great volunteer spirit.

- KEEPING COUNCIL TAX LOW
- KEEPING OUR COUNTY MOVING
- PROTECTING VULNERABLE RESIDENTS
- IMPROVING OUR ENVIRONMENT
- ENSURING A WORLD CLASS EDUCATION SYSTEM
