

# Epping Forest District Council Elections Thursday 6th May 2021

Waltham Abbey South West Ward

Helen **KANE**

## Dear Resident

My name is Helen Kane, I am very proud to have represented you, as your District Ward Councillor, since 2012.

The past nine years have seen many highlights, but I am most proud of the Museum refurbishment and the new Leisure Centre, both projects I directed to successful conclusion as Cabinet Portfolio Holder for Leisure.

In May 2020, I was appointed Chairman of Epping Forest District Council and was looking forward to a busy year ahead, representing the District across the County.

The Covid pandemic has made the past year a very difficult period for us all. Personally, I have been unable to attend the Market square surgeries or meet you in person. However, despite Covid, we, as a Council have focussed on maintaining our frontline services and assisting those in the community that most needed our support.

A successful vaccination programme means we can look forward to the recovery period. You will notice our initiative to revamp the town and prepare for the re-opening of the high street, looking forward to a return to normality.

We can all be immensely proud of how the residents of Waltham Abbey rallied in the face of crisis, ordinary people making extraordinary efforts to care for their neighbours.

I have always been available and will continue to be so, to assist with any issues you may have and I hope you will support me with your vote at the election on Thursday May 6th.

Thank You

Helen Kane

# Essex County Council Elections Thursday 6th May 2021

Waltham Abbey Division

Sam **KANE**

## Dear Resident

My wife and I have lived and worked in the Abbey for 35 years, raising our three sons and have been blessed with six grandchildren.

For the past 6 years it has been my privilege to represent the residents of Waltham Abbey as a District Councillor. For the last four of these years, I have been entrusted with various roles on Cabinet, positions which ensure Waltham Abbey has a strong voice on Epping Forest District Council.

At this election I'm asking for your support once again by voting for me to represent you at Essex County Council.

A position at County will allow me to pursue issues not available to me as a District Councillor, including:

**Highways** – Potholes, Street Lights, Traffic Management, Road Safety

**Education** – The planned increase in homes in the Abbey must be accompanied by adequate school places.

**Social Care and Health** – Protecting and providing for the elderly, the sick and the young are fundamental to the wellbeing of our community, particularly now, as we start to come through the lockdowns and adversity of the Covid pandemic.

**Transport** – Without efficient, regular public transport and safe accessible cycle ways there can be no meaningful reduction in the number of private vehicles on our roads, which would help to improve air-quality. This is particularly important in Waltham Abbey and the forest.

I am always available to discuss any particular issue you wish to raise, please do get in touch.

Thank You

Sam Kane
