

Epping Forest District Council Elections
Thursday 6th May 2021

Waltham Abbey North East Ward

Jeane LEA

Dear Resident

I have been fortunate to have represented this ward at Epping Forest District Council for the last 17 years, and I have also been a Waltham Abbey Town Councillor for the last ten years.

My particular interest and successes have been related to road safety in the town. I fought hard to get the pedestrian crossing by the Community Centre installed. As a result, the elderly and children can now cross safely: this has also enabled the successful walking bus initiatives to the Waltham Holy Cross schools. I have worked on numerous other initiatives such as the vehicle activated safety sign near Harold Crescent, and Keep Clear zones on the Crooked Mile and Monkwood Avenue

As a Tesco employee, I am a highly visible and engaged Councillor, who has a very close relationship with the public, and I feel I have a unique feel for the problems and concerns of Waltham Abbey residents.

I am very passionate about Waltham Abbey, having lived here for almost my entire lifetime, and having married and raised my family here. I am excited about the plans for Waltham Abbey being brought forward by EFDC, and I am keen to interact with as many residents as possible to help understand their desires and make the town the best it can be.

I hope I can rely on your ongoing support on Thursday 6th May, and I can continue to be your representative for the next four years.

Thank You

Jeane Lea

Essex County Council Elections
Thursday 6th May 2021

Waltham Abbey Division

Sam KANE

Dear Resident

My wife and I have lived and worked in the Abbey for 35 years, raising our three sons and have been blessed with six grandchildren.

For the past 6 years it has been my privilege to represent the residents of Waltham Abbey as a District Councillor. For the last four of these years, I have been entrusted with various roles on Cabinet, positions which ensure Waltham Abbey has a strong voice on Epping Forest District Council.

At this election I'm asking for your support once again by voting for me to represent you at Essex County Council.

A position at County will allow me to pursue issues not available to me as a District Councillor, including:

Highways – Potholes, Street Lights, Traffic Management, Road Safety

Education – The planned increase in homes in the Abbey must be accompanied by adequate school places.

Social Care and Health – Protecting and providing for the elderly, the sick and the young are fundamental to the wellbeing of our community, particularly now, as we start to come through the lockdowns and adversity of the Covid pandemic.

Transport – Without efficient, regular public transport and safe accessible cycle ways there can be no meaningful reduction in the number of private vehicles on our roads, which would help to improve air-quality. This is particularly important in Waltham Abbey and the forest.

I am always available to discuss any particular issue you wish to raise, please do get in touch.

Thank You

Sam Kane
