

# Epping Forest District Council Elections Thursday 6th May 2021

Waltham Abbey High Beach Ward

Tim **MATTHEWS**

## Dear Resident

On Thursday 6th May 2021 I am asking for you to elect me as your new District Councillor.

I was born in Upshire 30 years ago and still live in the village with my wife and two children. I am a third-generation farmer all of whom have lived and worked on the land in and around Upshire for the past 80 years.

My biggest passion and the focus of what I want to achieve as a Councillor revolves around the environment and improving it. My work allows me to be actively involved with managing the environment in a sustainable manner.

My other passion is Rugby. I have played in the local area for Epping Upper Clapton FC, Chingford RFC, Hertford RFC and also have been fortunate enough to represent Essex and Hertfordshire County sides in the National County Championships.

My aims as your Councillor would be:

- To control development within the District to ensure it is sustainable for the environment.
- To fight against the damage being carried out to our Ward through over-use and littering.
- To resolve the parking issues within the Ward.

I hope to bring youth and enthusiasm to the Council and hope you will support me in doing this by voting for me on Thursday 6th May.

Thank You

Tim Matthews

# Essex County Council Elections Thursday 6th May 2021

Waltham Abbey Division

Sam **KANE**

## Dear Resident

My wife and I have lived and worked in the Abbey for 35 years, raising our three sons and have been blessed with six grandchildren.

For the past 6 years it has been my privilege to represent the residents of Waltham Abbey as a District Councillor. For the last four of these years, I have been entrusted with various roles on Cabinet, positions which ensure Waltham Abbey has a strong voice on Epping Forest District Council.

At this election I'm asking for your support once again by voting for me to represent you at Essex County Council.

A position at County will allow me to pursue issues not available to me as a District Councillor, including:

**Highways** – Potholes, Street Lights, Traffic Management, Road Safety

**Education** – The planned increase in homes in the Abbey must be accompanied by adequate school places.

**Social Care and Health** – Protecting and providing for the elderly, the sick and the young are fundamental to the wellbeing of our community, particularly now, as we start to come through the lockdowns and adversity of the Covid pandemic.

**Transport** – Without efficient, regular public transport and safe accessible cycle ways there can be no meaningful reduction in the number of private vehicles on our roads, which would help to improve air-quality. This is particularly important in Waltham Abbey and the forest.

I am always available to discuss any particular issue you wish to raise, please do get in touch.

Thank You

Sam Kane
