

# Epping Forest District Council Elections Thursday 6th May 2021

Chigwell Village Ward

Kaz **RIZVI**

## Dear Resident

My name is Dr Kaz Rizvi and I've been a resident of our beautiful village for nearly two decades. I've served as a front line GP caring for my patients throughout the pandemic. In order to raise support for our NHS during these challenging times, I co-founded the CFOP-NHS Chapter last year and was subsequently appointed chair.

Having grown up in Chigwell, I've seen the area go through many changes. I'm passionate about our environment and will do everything I can to keep our village litter free, protect our green spaces and preserve our charming village heritage.

As your district councillor I pledge to address the following:

**Highways** - litter has become an increasing problem and I will work with all our Councils to keep our streets clean, presentable and properly maintained.

**Planning** - working within the Epping Forest Local Plan we have a responsibility to ensure sensible and reasonable planning in the area. I will oppose any plan for over or inappropriate development.

**Crime** - I will work closely with our local police officers to keep residents and businesses safe. Anti-social behaviour, flytipping, car crime and the horrific recent explosion of pet theft, will be areas that I will ensure are at the top of our local police officers' agenda.

**Council Tax** - I will do everything I can to ensure that Chigwell receives its fair share of funding for the benefit of the local community.

**Community** - the past 12 months have seen some incredible dedication by frontline professionals and volunteers alike. I will do all I can to ensure our community is supported and our volunteers and professional bodies have the resources they need. We must protect the vulnerable and elderly, but also ensure that our young people are getting all the help they need for now and for their future.

I hope I can count on your vote on Thursday 6th May.

Thank You  
Dr Kaz Rizvi
