**ACTION FOR YOU ALL YEAR ROUND**

**Sam Kane** has lived and worked in Waltham Abbey for 27 years. The family business he runs with his wife Helen has been providing employment in the area for 25 of those years. Together with his wife, Sam is actively involved with community projects and initiatives in and around the town. "We moved to the Abbey from the East End, as we felt it was the perfect place to raise our family and build our business. In a town such as the Abbey, community is everything. I want to help build a strong and vibrant town, with opportunities for all to feel part of that community."

**WHY YOU SHOULD VOTE FOR ME AND THE CONSERVATIVES:**

With a Conservative-led District Council we have seen Council tax frozen for the 5th consecutive year and council houses being built for the first time in 30 years (with an allocation system that ensures these new homes go to residents who have lived in the district for at least three years). The economic downturn experienced throughout the world has required some tough decisions to be taken. The Conservative-led District Council has ensured that essential services throughout the district have been maintained at the highest level possible.

There is still much to do of course, and I believe that, if elected, I can contribute to the continued economic growth of the area, whilst campaigning hard to ensure that Waltham Abbey is at the heart of the recovery.

The decisions made at District Council directly affect you, the street you live in and the facilities available in your area:

- Leisure facilities, including playgrounds & parks
- Town centre regeneration - over £2m on projects within Waltham Abbey

- Recycling almost 60% of all household waste. Epping Forest is in the Top 10 waste collection authorities 2013/14
- Planning
- Social housing
- Refuse collection
- Street Cleansing
- Council car parks
