

**RYAN
SPARROWHAWK**
Your LOCAL Candidate

Dear Resident

As I have lived in Buckhurst Hill all my life, I know at first hand the issues affecting our community.

I attended St John's Church of England Primary School and then Bancroft's School and I fully appreciate how lucky I was to have this start in life. Since leaving school I have worked for one of our major high street banks, where I have learnt the important lesson that service is everything and that promises must be delivered on.

As a young man I understand the challenges faced by young people building their careers and buying their own home. I will push for our local businesses to employ our younger residents and support them in their career development.

One of my main passions is getting people involved and that's why I got involved in Conservative Future, allowing local young people to meet up and discuss the issues that concern them and to get their voices heard.

Now I want to ensure that future generations enjoy the same amenities that I have and I will use all my effort and energy to protect the character and heritage of our beautiful parish.

I believe the best way to ensure everyone's needs are met in the future is to get involved with the decision making. That is why I am seeking election to our local Parish Council.

I hope you will feel able to support me in the local elections on Thursday, 7 May.

Yours sincerely,

Ryan Sparrowhawk
